On July 7th, 2016 I called 911 continuously
in regards to my landlords parents who were
agents for his property. Entering my place
without consent and trespassing refusing
to leave. The dispatch said it was civil
and that they could not illegally and
selfhelp evict me. I had just rented
the place and only was there for A week.
I was pregnant and attacked by the
woman and her husband when I told them
I was recording them. After attacked

With my hair tore from my hair and kneed and stratch I drove to fifth district police station. A desk sergeant name PO stephen cook told me that PO Eduardo Garcia said place me under arrest. I ask for what I came here to report my attack why am I being arrested and I want a lawyer. He told me I had to wait until PO Garcia arrived and took me in the back of the police station on a hard bench and cuff me to the bench. I told PO Cook I am leaking fluids I am pregnant cramping I need medical attention. He told me I had to wait for Garcia there is nothing he can do. Garcia and another officer arrived Muller and I Ask for a lawyer he began to say you mess up your going to be charged with 2 counts of battery, **2** counts of Robbery and 1

Count of disorderly conduct. He then began to tell me how the daughter had ties within the police department. After 30 to 45 minutes of insulting me he finally got me medical attention where at the hospital he refused to leave out the room And I was already handcuff to the bed. I miscarriage that same day losing my unborn child. After I was taken to the Milwaukee County jail and jailed for four days. All Charges were dropped on July 12th, 2016 but I was still force to come in and face one count of Robbery even though they were dropped. Police reports were intentionally tampered with after I in 2018 requested documents and open back ground checks Changed to say a call was about A robbery when in fact one officer at Preliminary hearing testified they were only dispatched over a landlord tenant dispute and something about a fight. No evidence, no witnesses, and still bound over for a trial. I challenged jurisdiction at every court proceeding however Irene Parthum and the court proceeded to go on with a case outside of their jurisdiction, Therefore are liable to suit. Andrew Farina, Irene Parthum tampered with my photo array as no one picked my picture as a person who committed a crime. CD's were destroyed that say placed in inventory. Body cameras were also destroyed and not compelled.

I fought a Case that ended
on 7/25/2018 were at a jury
trial I was found not Guilty.
I am suing for false imprisonment,
emotional and mental distress and
abuse. Violating my rights and discrimination.
I am also suing for malicious prosecution
as Irene Parthum the prosecutor
has intentionally placed on my
background record when you
run my social security number
that I am a convicted felon with
at least 3 other false charges
preventing me from credit, housing, and
jobs. The City of Milwaukee
employees arrested me, imprison me
and had no rights or authority
to do so. I have suffered injury,
slander, and lost a child, I also
have video of officers driving my car without
Permission into their private garage.

to be incarcerated or held for 3 1/2 days. Or no Authority to have Plaintiff fight a case for 2 years outside of their jurisdiction as jurisdiction was challenged at every court hearing. For taking away Plaintiff right to represent herself and forcing a lawyer for months. Violating her constitutional rights under Faretta and Brady.
